

ATLS Student Course - Day 1

Time	Schedule			
08:00 - 08:10	Welcome and Introduction			
08:10 - 08:20	Overview of ATLS Course			
08:20 - 08:40	Initial Assessment to Secondary Survey - Demonstration			
08:40 - 09:10	Initial Assessment and Management - Interactive Discussion			
09:10 - 09:45	Airway and Ventilatory Management - Interactive Discussion			
09:45 - 10:05	<i>Tea Break</i>			
10:05 - 10:35	Shock - Interactive Discussion			
10:35 - 11:05	Thoracic Trauma - Interactive Discussion			
11:05 - 11:35	Abdominal and Pelvic Trauma - Interactive Discussion			
Skills Stations	Airway I (Adult, Basic & Advance Airway) Positioning, suction OPA, NPA, BVM, LMA Intubation Needle Cricothyroidotomy	Airway I (Adult, Basic & Advance Airway) Positioning, suction OPA, NPA, BVM, LMA Intubation Needle Cricothyroidotomy	Circulation I & II Pelvic binder (T-pod & bedsheet) Pelvic X-rays Intra-osseous Tourniquet (CAT) Traction splint	Circulation I & II Pelvic binder (T-pod & bedsheet) Pelvic X-rays Intra-osseous Tourniquet (CAT) Traction splint
11:35 - 12:35	Group Red	Group Yellow	Group Blue	Group Green
12:35 - 13:35	Group Blue	Group Green	Group Red	Group Yellow
13:35 - 14:15	<i>Lunch</i>			
14:15 - 14:40	Pediatric Trauma - Interactive Discussion			
Skills Stations	Pediatrics - ABC Pediatric positioning, airway & intubation, BVM IO, Fluid Mx, Broselow's tape	Pediatrics - ABC Pediatric positioning, airway & intubation, BVM IO, Fluid Mx, Broselow's tape	Breathing (In Wet Lab) Surgical cricothyroidotomy Chest tube insertion CXRs	Breathing (In Wet Lab) Surgical cricothyroidotomy Chest tube insertion CXRs
14:40 - 15:35	Group Red	Group Yellow	Group Blue	Group Green
15:35 - 16:05	Head Trauma - Interactive Discussion			
16:05 - 16:40	Spine and Spinal Cord Trauma - Interactive Discussion			
16:40 - 16:55	<i>Tea Break</i>			
Skills Stations	Pediatrics - ABC Pediatric positioning, airway & intubation, BVM IO, Fluid Mx, Broselow's tape	Pediatrics - ABC Pediatric positioning, airway & intubation, BVM IO, Fluid Mx, Broselow's tape	Breathing (In Wet Lab) Surgical cricothyroidotomy Chest tube insertion CXRs	Breathing (In Wet Lab) Surgical cricothyroidotomy Chest tube insertion CXRs
16:55 - 17:50	Group Blue	Group Green	Group Red	Group Yellow
17:50 - 18:25	Pre-Test Review			
18:25 - 18:35	Summary			
18:35	<i>Course End; Faculty Debriefing</i>			

ATLS Student Course - Day 2

Time	Schedule			
08:00 - 08:25	Thermal Injuries - Interactive Discussion			
08:25 - 08:45	Geriatric Trauma - Interactive Discussion			
08:45 - 09:15	Trauma in Pregnancy & Intimate Partner Violence - Interactive Discussion			
09:15 - 09:45	Musculoskeletal Trauma - Interactive Discussion			
09:45 - 10:05	<i>Tea Break</i>			
10:05 - 10:35	Transfer to Definitive Care - Interactive Discussion			
Skills Stations	Disability Helmet removal C-collar Log roll CT head scans	Disability Helmet removal C-collar Log roll CT head scans	Adjuncts FAST X-Rays	Adjuncts FAST X-Rays
10:35 - 11:35	Group Red	Group Yellow	Group Blue	Group Green
11:35 - 12:35	Group Yellow	Group Red	Group Green	Group Blue
12:35 - 13:05	Initial Assessment Video + Discussion			
13:05 - 13:45	<i>Lunch</i>			
Group Discussion	Secondary Survey & Initial Assessment with Team Training Skill Station	Secondary Survey & Initial Assessment with Team Training Skill Station	Triage Scenarios, CRM, Leadership	Triage Scenarios, CRM, Leadership
13:45 - 14:45	Group Red	Group Yellow	Group Blue	Group Green
14:45 - 15:44	Group Blue	Group Green	Group Red	Group Yellow
	MCQ test (45mins)	MCQ test (45mins)	Initial Assessment Testing	Initial Assessment Testing
15:45 - 17:15	Group Red	Group Yellow	Group Blue	Group Green
	<i>Tea Break included</i>			
17:15 - 18:45	Group Blue	Group Green	Group Red	Group Yellow
18:45 - 18:55	Faculty Meeting			
18:55 - 19:00	Summary / Retest
